PARENTS WORKSHOP – ONLINE GROOMING

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools, support and guidance to help parents and carers have conversations with their children about their online lives. As part of this, they are running a **free online safety workshop** for parents and carers in school next Tuesday 16 May at 2pm.

Schools and families need to work together to keep children safe therefore we would like to invite all parents and carers to join. The hour-long workshop will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online. To book a place, please let Mrs Ghiwala know by the end of next Monday 15 May.
