Dear Parent/Carers

CORONAVIRUS IMPACT ON SCHOOL

I just wanted to say a little something about the situation we still find ourselves in at the moment. I know it has been incredibly unusual and difficult for us being away from school and not being together. The staff at school have worked really hard to keep learning going at home and you as families have embraced this and supported your children where you can. Our children have learned many skills during this time such as baking, cooking, riding a bike and helping others in the community. We, as a staff, have learned to zoom, seesaw and connect in a virtual world that we never anticipated for a moment. We have had to change our whole way of working and the setup of our classrooms and school building. We have had our flexibility and perseverance tested beyond anything we have ever experienced but in true Wensley Fold style the whole school family has risen to the challenge.

So I just want to say THANK YOU to everyone for all you have done and continue to do.

We have currently got a number of key workers' children in school and 'plan' to open further for Reception, Year 1 and Year 6 week beginning 22nd June, but this is still subject to change. We still don't know what September will look like but we are planning for a full return. Obviously this could change and I will keep you up-to-date as I know more.

It is vitally important that you read emails, texts, messages via the app or Facebook, regularly. We do try and keep you as up to date as we can. Look after each other and I send you my very best wishes until we see you again.

Kind regards

Mrs Simpson
