Dear Parent

YEAR 6 ACTIVITIES WEEK

Year 6 will be visiting Colomendy Residential Centre in Wales next week from Monday – Wednesday, the coach will leave school at 10.00am for a 12pm arrival at the centre. The children will participate in many adventurous activities including climbing, Jacobs' ladder, raft building and many more. They will arrive back at on Wednesday for a normal 3.10pm finish. On Thursday (weather permitting), they will explore Witton Park completing a variety of activities, team games, nature walk etc. Unfortunately due to the continuation of Covid restrictions, we are unable to hold the planned disco/prom night, therefore we are holding a 'picnic on the field' from 4.30pm – 6.30pm with children in their class bubbles, and a local takeaway providing the food. We are asking parents to drop their children off at school at 4.30pm and collect at 6.30pm. Unfortunately, we are unable to accommodate parents gathering and mixing with the children. We really hope the children enjoy the week of activities we have planned for them and that they make many happy memories to take with them as they move on to the next chapter of their lives.

GUINNESS WORLD RECORD – HENNA TATTOOS

We are excited to inform you about an upcoming event at our school next month, on Thursday 15 July. Samina Hussain attended Wensley Fold many years ago and is now a qualified teacher as well as a henna artist with over 20 years' experience. During lockdown, she revisited an ambition to break the current world record for the fastest henna artist.

In order to complete the record attempt, Samina would need to complete a minimum of 512 henna tattoos. We are very excited and keen to support Samina with her Guinness World Record attempt and are asking for permission for your child(ren) to be involved. Please read and sign if you would like your child to be involved.

PARENT MAIL

Parents should be aware by now that our preferred method of communication with parents is by email and text. In light of bubble closures it has been noted that texts to some parents have failed, this is because parents have changed their phone numbers and not updated their parent mail account. This has to be actioned by the parent due to data protection. The office staff can change the number on parent mail but this change has to be accepted by the parent by logging on to their account. Please contact the office if you struggle with this. Thank you.
