

WENSLEY FOLD CE PRIMARY ACADEMY LIFE EDUCATION MATRIX

The following units have been mapped predominantly in line with age group requirements and links with RE and Science schemes of work. Life Education should be tailored to meet the needs of the class and prior or later units may need to be repeated or brought forward when necessary and coverage will be audited at the end of each year. All units can be found on staff shared Life Education Scheme of Work. Further resources can be found in the Life Education cupboard in the staff room or just ask me!

SEAL	AUTUMN		LIFE EDUCATION WEEK - PREVENT	SPRING		THEMED WEEK-TBA	SUMMER
