

## Why Train With Us?

### Why train with us?

We are an established alliance consisting of a lead school who works in partnership with other high performing schools within the borough. Our aim is to deliver outstanding ITT provision in our PGCE General Primary (5 – 11). We have a strong commitment to providing a stimulating, challenging and rewarding training experience.

We pride ourselves on our commitment to training outstanding teachers to teach in the local authority and beyond. We have an exemplary employment record as a result of supporting our trainees through every step of the job hunting process and into their chosen line of work.

Our training is delivered in partnership with the University of Cumbria who are the 3rd largest School Direct higher education partner in the UK. Lectures from the UOC will be delivered on site at Wensley Fold in Blackburn

Evidence from our course completion exit survey shows that our trainees are very happy with the training delivered.

Quotes from our trainees and our Headteachers include:

'I am so pleased I chose TEAM alliance school direct route for my PGCE as from Day 1 I was straight into school life and very quickly gained a full understanding of the challenges and expectations of the job' - trainee

'I am very excited to begin my first teaching post and feel very prepared following a thorough and rigorous course with the highest expectations from TEAM' - trainee

'The students that we have had have been of such a high calibre and the course has prepared them so well that we have employed them both' – Headteacher

'The course has provided me with one of the strongest NQT candidates that I have seen' - Headteacher

'Well organised, well-structured and well monitored, the students spend more time in the classroom on this course and the support that they get ensures that they are very well prepared for their first job as a teacher' - Headteacher

## **Entry Requirements**

### **Minimum degree required:**

#### **Requirements**

A 2:1 degree is preferred, however applicants with a 2:2 honours degree will be considered and a decision made based on the overall strength of their application in competition with other applicants

Three GCSE's at minimum grade 4 (C) or above at the point of application to include English Language, Mathematics and Science.

Some school Experience would be recommended in order to support you in the interview process, however, this is not essential

A satisfactory academic (university) reference OR a satisfactory professional reference if more than three years since academic study.

The ability to discriminate key ideas and express arguments.

All candidates must demonstrate professional suitability through interview and must obtain medical and enhanced DBS clearance according to established university procedures.

## **What We Are Looking For**

### **We seek to recruit**

Trainees who possess a genuine desire to enrich the lives of young children and who can conduct themselves in a manner fitting of the teaching profession. You should be committed to becoming an outstanding classroom practitioner whom children value and respect

This is the course for you if you are:

A graduate who is genuinely motivated by the prospect of a career in teaching

Interested in benefitting from a school-based approach to teacher training

Passionate about learning to teach from highly experienced and respected professionals

Keen to experience a wide variety of different school settings throughout Blackburn with Darwen, including Aided schools and as such we will be seeking applications from some candidates who support the Christian Ethos

Enthused by the prospect of working alongside teachers in good and outstanding schools.

## How We Select Our Trainees

### Process

If shortlisted, candidates will undertake a rigorous interview process to establish their suitability for the Alliance's School Direct Programme.

During your interview we will be looking for evidence that you meet the following criteria:

### Professional Attributes:

The candidate demonstrates appropriate professional attributes by demonstrating they establish, build and maintain effective professional relationships in both group and one-to-one situations through appropriate interpersonal skills adapting verbal and non-verbal language where required. The candidate responds to colleagues respectfully, courteously and constructively, and appears sensitive to the diverse needs of children and adults. They can critically discuss a relevant and recent educational issue and consider the implications for children, staff, parents and carers, and other stakeholders in education.

### During your interview day you will be expected to do the following:

- \* Teach a small group of children
- \* Complete a written task
- \* Answer questions in a formal interview
- \* Support children in their learning

Our interview days are rigorous, thorough and we expect all candidates to present themselves in a professional manner, designed for us to get the best applicants possible onto our programme.

## About This Training Programme

### A Unique Course

Through the delivery of this Primary PGCE course the Alliance is committed to ensuring that our trainees gain the highest level of primary teaching experience and professional development through the close link with our exceptional partner schools allowing you to relate learning from sessions instantly and directly to a classroom environment.

### Assessment.

This is a full-time programme and the majority of time is spent in school, as it is a Post Graduate Certificate in Education it includes some work at Masters level (level 7). In recognition of the high levels achieved by students on this programme they are rewarded with 60 Masters level credits.

The course consists of five modules:

1. Raising achievement of Children
2. High Quality Learning and Teaching.
3. Leading and managing change in the primary school.
4. Pedagogy and Practice.
5. Cumbria Teacher of Reading

**Placements:**

From the very beginning of September you will be embedded in a local partnership school where you will be learning from teachers in school alongside input from university lectures on a weekly basis who will guide and support you through all stages of your development and assessment.
