What Do the Experts Say?

Did you know?

If your child reads for **20 minutes** each day

3,600 minutes in a school year

1,800,000 words

By the end of Year 6, your child will have read an

equivalent of 60 whole school days

If your child reads for **5 minutes** each day

900 minutes in a school year

282,000 words

By the end of Year 6, your child will have read an

equivalent of 12 whole school days

Which child would you expect to have better vocabulary?

Increasing numbers of UK school children are choosing to read in their spare time, with six in 10 having a favourite work of fiction. Enjoyment and frequency of reading are both at their highest levels for nine years.

Department
for Education

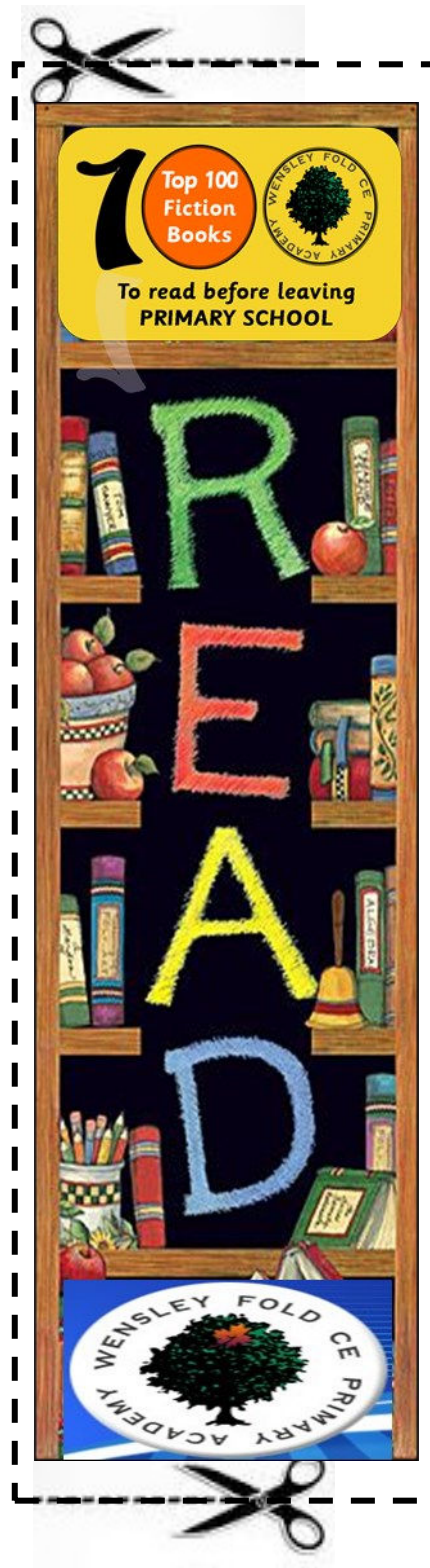

Pupils who can read are overwhelmingly more likely to succeed at school, achieve good qualifications, and subsequently enjoy a fulfilling and rewarding career. In addition to its substantial practical benefits, reading is one of life's profound joys

Reading for pleasure is not only important because it improves performance in reading tests; it has a much wider significance for children's education. Research shows that it brings benefits that help pupils achieve more across the whole curriculum. These include a broad vocabulary, text comprehension, grammar and general knowledge. Reading for pleasure has also been found to be linked to greater progress in spelling and mathematics skills.

Those who read five books a month were almost twice as likely to be reading at a level beyond their age, compared with those who do not read any books at all

Registration of Library Users

All pupils are welcome to register in order to participate in this exciting reading challenge. But they must observe the library rules and regulations by signing Wensley Fold CE Primary Academy Permission Form.

Borrowing items

Children will only be able to borrow one book at any one time and keep it for 2 weeks maximum. Therefore children will not be able to borrow any more books until outstanding books have been returned.

Make sure that the library book is always kept in a safe place. If a book is damaged or lost, the borrower must pay the cover price cost of the book so that it can be replaced.

Returning Books

The book must be returned to the school library on or before the date given. Children may return books at any time either by returning them to the respective libraries or placing them in the library returns box.

Overdue Books

If a book becomes overdue the librarian will print off an overdue which will then be sent to the class teacher. If the book is not returned after another week then a letter shall be sent home.

Opening and Closing times of the Library

The library is available to staff at all times but all loans must be done through the Librarian.

The Junior library is opened for all Key Stage 2 children during :

Monday to Thursday lunch times

Tuesday & Thursday after school

The Infants library is opened for all Key Stage 1 children (including Foundation Stage) every Wednesday after school.

In addition small groups of children from each class (Key Stage 1, 2 & Foundation) have scheduled sessions with the Librarian.
